Perhaps you've always wanted to try clay but don't want to face a steep learning curve until you know if you like it or not. Maybe the last time you made something was that wonky kindergarten pinch pot. This class will be student driven. You tell me what you want to make and I'll do my best to help you make it happen. I'll also tell you if your idea is unrealistic and help you find a new one. This is a hand building only class... no throwing. You will learn some basic facts about clay, glaze and firing and the next time you have friends over you may be able to say " Why yes, I did make that"! Class limit-6 students (18 years +)
