ADVANCED AND INDEPENDENT CERAMICS

Facilitator: Claudia Houser

If you have ever taken a pottery class, or are a current pottery student - one of these classes may be perfect for you to continue to explore clay and learn fun new techniques - or get back into this creative hobby. Opportunities to throw and hand-build, along with increased knowledge about glazes, underglaze painting, kiln tech and firing knowledge are all a part of these classes. I JUST WANT TO MAKE SOMETHING

Instructors: Sid Paradine and Leann Thornton

Perhaps you've always wanted to try clay but don't want to face a steep learning curve until you know if you like it or not. Maybe the last time you made something was that wonky kindergarten pinch pot. This class will be student driven. You tell me what you want to make and I'll do my best to help you make it happen. I'll also tell you if your idea is unrealistic and help you find a new one. A demo of throwing be given and anyone who wishes to try their hand at it will have the opportunity. You will learn some basic facts about clay, glaze and firing and the next time you have friends over you may be able to say " Why yes, I did make that"! Class limit-8 students (18 years +)

Clay for all Art Center classes must be purchased through the Art Center's supply so all the clay being fired in our kiln is compatible when fired. This clay is available at the price of \$30 for a 25 lb bag, includes the cost of the glazes and firing for enrolled students. Only artwork created by students currently enrolled in a class can be fired in the Art Center's kiln. Firing of production pottery work is also limited as space and firing time must accommodate all the ceramic department students. Possibilities need to be discussed with your instructor.

In case of inclement weather—the Art Center follows the Battle Creek Public Schools policy—if the BCPS are closed, the Art Center is closed as well! We also post any closing on Battle Creek Radio and on our Face Book page.
